

COOKIE POLICY

WORLD STEEL ASSOCIATION

Effective: 25 May 2018

This policy relating to cookies (hereinafter, the '**cookie policy**') describes the different types of cookies that we use on [our websites](#) (hereinafter, '**our websites**') and the manner in which you can configure these cookies.

We maintain a strict privacy policy and we are committed to being transparent about the technologies that are used on our websites.

Insofar as the information collected using cookies constitutes personal data, the provisions of **the [privacy policy](#)** shall apply and supplement this cookie policy.

What is a cookie?

A 'cookie' is a small text file containing information saved by a website on a computer or by a mobile application on a user's smartphone.

Cookies offer the possibility to identify you and to memorize various information in order to facilitate your navigation on a website/a mobile application, to ensure the smooth functioning of these or to make them more effective, for example by memorizing your language preferences.

What cookies are used on our websites and why?

Cookie	Purposes
Essential cookies (strictly necessary)	<p>These cookies are essential for browsing our websites or strictly necessary for the provision of a service specifically requested by a user.</p> <p>The removal of this type of cookies can lead to navigation difficulties and is therefore strongly discouraged.</p>
Preference cookies (performance)	<p>These cookies collect information about your choices and preferences and make your navigation more pleasant and personalized.</p> <p>These cookies make it possible to memorize the language chosen during your first visit to our websites in order to personalize it accordingly.</p>

<p style="text-align: center;">Analytics cookies (statistics)</p>	<p>These cookies are used to gather information about your use of our websites, in order to improve the content of the websites, make it more suitable to your needs and increase its usability.</p> <p>For example, these cookies show us the most visited pages of the websites or help to identify difficulties that may be encountered during navigation.</p>
<p style="text-align: center;">Third party/sharing cookies (social networks)</p>	<p>These cookies allow you to share the content of our websites with other people via social networks. Some sharing buttons are integrated via third-party applications that can issue this type of cookies. This is particularly the case with the button 'Facebook', 'Twitter', 'Google +' and 'LinkedIn'.</p> <p>Social networks providing such a sharing button are likely to identify you with this button, even if you did not use this button when visiting our websites. We invite you to consult the privacy policy of these social networks, by visiting their respective websites, to learn the purpose of using the information collected through these sharing buttons.</p>

How to configure the cookies?

You can easily delete, disable or accept cookies from our websites at any time by configuring your browser settings.

Each browser (Internet Explorer, Safari, Firefox, Google Chrome, etc.) has its own cookie configuration mode. To learn about the procedure to follow concerning your navigator, visit the site: <http://www.allaboutcookies.org/manage-cookies/>.

Will our websites still work without cookies?

You will still be able to view our websites, but some interactions may not work normally.

Other questions?
